Pre-Engineered Solutions for All Levels of Play

Single Sided Batter's Eyes

Item Number	Product Description
BESR2040S	20'H x 40'L Batter's Eye - solid surface ribbed panels, direct embedment
BESR2040SPL	20'H x 40'L Batter's Eye - solid surface ribbed panels, plate mounted
BESF2040S	20'H x 40'L Batter's Eye - solid surface flush panels, direct embedment
BESF2040SPL	20'H x 40'L Batter's Eye - solid surface flush panels, plate mounted
BESR3060S	30'H x 60'L Batter's Eye - solid surface ribbed panels, direct embedment
BESR3060SPL	30'H x 60'L Batter's Eye - solid surface ribbed panels, plate mounted
BESF3060S	30'H x 60'L Batter's Eye - solid surface flush panels, direct embedment
BESF3060SPL	30'H x 60'L Batter's Eye - solid surface flush panels, plate mounted
BESR3660S	36'H x 60'L Batter's Eye - solid surface ribbed panels, direct embedment
BESR3660SPL	36'H x 60'L Batter's Eye - solid surface ribbed panels, plate mounted
BESF3660S	36'H x 60'L Batter's Eye - solid surface flush panels, direct embedment
BESF3660SPL	36'H x 60'L Batter's Eye - solid surface flush panels, plate mounted
BESR4080S	40'H x 80'L Batter's Eye - solid surface ribbed panels, direct embedment
BESR4080SPL	40'H x 80'L Batter's Eye - solid surface ribbed panels, plate mounted
BESF4080S	40'H x 80'L Batter's Eye - solid surface flush panels, direct embedment
BESF4080SPL	40'H x 80'L Batter's Eye - solid surface flush panels, plate mounted
PESBE	Stamped drawings and calculations by a licensed professional engineer, direct embedment
PESBEPL	Stamped drawings and calculations by a licensed professional engineer, plate mounted

Double Sided Batter's Eyes

Item Number	Product Description
BESR2040	20'H x 40'L Batter's Eye - solid surface ribbed panels, direct embedment
BESR2040PL	20'H x 40'L Batter's Eye - solid surface ribbed panels, plate mounted
BESF2040	20'H x 40'L Batter's Eye - solid surface flush panels, direct embedment
BESF2040PL	20'H x 40'L Batter's Eye - solid surface flush panels, plate mounted
BESR3060	30'H x 60'L Batter's Eye - solid surface ribbed panels, direct embedment
BESR3060PL	30'H x 60'L Batter's Eye - solid surface ribbed panels, plate mounted
BESF3060	30'H x 60'L Batter's Eye - solid surface flush panels, direct embedment
BESF3060PL	30'H x 60'L Batter's Eye - solid surface flush panels, plate mounted
BESR3660	36'H x 60'L Batter's Eye - solid surface ribbed panels, direct embedment
BESR3660PL	36'H x 60'L Batter's Eye - solid surface ribbed panels, plate mounted
BESF3660	36'H x 60'L Batter's Eye - solid surface flush panels, direct embedment
BESF3660PL	36'H x 60'L Batter's Eye - solid surface flush panels, plate mounted
BESR4080	40'H x 80'L Batter's Eye - solid surface ribbed panels, direct embedment
BESR4080PL	40'H x 80'L Batter's Eye - solid surface ribbed panels, plate mounted
BESF4080	40'H x 80'L Batter's Eye - solid surface flush panels, direct embedment
BESF4080PL	40'H x 80'L Batter's Eye - solid surface flush panels, plate mounted
PESBE	Stamped drawings and calculations by a licensed professional engineer, direct embedment
