Multi-Purpose Carts

Product Overview

- Designed for general purpose equipment transport to and from storage
- Ideal for transporting landing systems, hurdles, and related equipment
- Heavy-duty powder coated aluminum construction with textured planks
- Large 12" pneumatic wheels for ease of transport over any surface
- Choose from three standard sizes: 4' x 8', 5' x 10', or 6' x 12'
- Available in a variety of standard powder coat colors

| Item Number | Product Description |
|-------------|---------------------------------|
| MC48 | Multi-purpose cart - 4'W x 8'W |
| MC510 | Multi-purpose cart - 5'W x 10'W |
| MC12 | Multi-purpose cart - 6'W x 12'W |

Lane Gates

Product Overview

- Extend the life of your track surface by distributing use
- Designed to reduce wear of the inside running lanes
- Simply lift and rotate position in ninety degree increments
- Super durable powder coated aluminum construction
- Locking models include provision for tamper resistant padlock

| Item Number | Product Description |
|-------------|--|
| LGRT | Rotating track lane gates - set of (4) |
| LGRTL | Locking rotating track lane gates - set of (4) |

Starting Blocks

Product Overview

- Quality starting blocks for all levels of competition
- Aluminum construction with rubber pedal coverings
- Adjustable pedals have four unique angle positions
- Designed to meet NFHS, NCAA, and World Athletics requirements
- Choose between Professional and Elite Scholastic models

| Item Number | Product Description |
|-------------|--|
| N1132PR | Professional starting block - NCAA / World Athletics |
| N1131OSC | Elite scholastic starting block - NFHS |

Aluminum Track Curbing

Product Overview

- 2" x 2" aluminum track curbing with rounded corners
- Straight and radius sections measure 20' in length
- Curbing sits 1/2" above synthetic track surface on ground supports for efficient drainage
- Unique Chevron Interlocking system between sections
- Form fitted and manufactured to exact track specifications
- Elevated 1/2" above surface for unimpeded drainage
- Meets World Athletics, NCAA, and USATF specifications, rules, and requirements
- Non-Permanent Installation
- Standard white powder coated finish, various other colors upon request

| Item Number | Product Description |
|-------------|---|
| TCBM | Track curbing with natural mill finish |
| TCBP | Track curbing with powder coated finish |

Track Crossing Mats

Product Overview

- Create a protected crossing area for students and staff
- Reduce track wear from repetitive foot traffic and cleats
- Perimeter weighted black geotextile fabric
- Perimeter edge features vinyl encased chain ballast

| Item Number | Product Description |
|-------------|---|
| TCM7530 | Weighted track crossing mat - 7'-6"W x 30'L |
| TCM1530 | Weighted track crossing mat - 15'W x 30'L |
| TCM7540 | Weighted track crossing mat - 7'-6"W x 40'L |
| TCM1540 | Weighted track crossing mat - 15'W x 40'L |
| TCM7550 | Weighted track crossing mat - 7'-6"W x 50'L |

Roll-Out Track Protectors

Product Overview

- Create a protected crossing area for students and staff
- Reduce track wear from repetitive foot traffic and cleats
- Designed to be rolled and stored when not in use
- Black resilient recycled rubber construction
- Available in a variety of thicknesses, widths and lengths

| Item Number | Product Description |
|-------------|---|
| RR1236 | Roll-out rubber track protector - 12mm x 36"W x variable length |
| RR1248 | Roll-out rubber track protector - 12mm x 48"W x variable length |
| RR1036 | Roll-out rubber track protector - 10mm x 36"W x variable length |
| RR1048 | Roll-out rubber track protector - 10mm x 48"W x variable length |
