WeatherScape® Team Shelters

Sportsfield Specialties, Inc. 41155 State Hwy 10. Delhi, NY 13753

Optional mobility kit

Game Changing Equipment

WeatherScape® Team Shelters are the ONLY shelters available with a gas shock lowering system, which allows the rear curved structure to be lowered and locked into place to withstand high winds. Our new revolutionary design doubles the maximum wind speed the shelter can handle before tip-over. The Sportsfield Specialties WeatherScape® Team Shelter is available in 8', 16', and 24' lengths and with optional custom vinyl lettering / logos. Recipient of American Sports Builders Association's (ASBA) Game Changer Award, Field Division!

WeatherScape® Team Shelters
