Welcome to Sportsfield Specialties, Inc.

Since 1998, Sportsfield Specialties, Inc. has been the innovative leader in the manufacture and sale of athletic field equipment for high school, college, and professional levels of competition. With over 30 patents awarded for their game-changing designs, Sportsfield is integral to moving the sports construction and venue renovation industries forward. Our commitment to client-centered service, strategic partnerships, and building world-class equipment gives customers the highest level of confidence that their facility will look great and function efficiently using Sportsfield equipment

Sportsfield's motto is Excellence from Design to Installation and from first contact, our sales team is ready to help you select the best solutions for your unique facility. At Sportsfield, our in-house engineers are integral to finding custom solutions that address regional elements such as wind load and soil conditions. We don't stop there! We're also committed to certified excellence and work with 3rd party testing agencies to ensure products like our Ultra Cross® Knotless Baseball Netting Systems and Zone® Outdoor Wall Pads function at the top of their game.

Game Changing Equipment

WeatherScape® Team Shelters are the ONLY shelters available with a gas shock lowering system, which allows the rear curved structure to be lowered and locked into place to withstand high winds. Our new revolutionary design doubles the maximum wind speed the shelter can handle before tip-over.

The Sportsfield Specialties WeatherScape® Team Shelter is available in 8', 16', and 24' lengths and with optional custom vinyl lettering / logos. Recipient of American Sports Builders Association's (ASBA) Game Changer Award, Field Division!

Optional mobility kit

WeatherScape® Team Shelters

Product Overview

- Premium weather shelter with integral bench seating
- Innovative design dramatically reduces wind-related tip over & damage
- Collapsible roof can be easily lowered to the ground when not in use
- All aluminum construction with powder coated finish
- Includes light gray tinted polycarbonate enclosure panels
- Optional mobility kit sold separately
- Custom vinyl letter/logos available upon request
- American Sports Builders Association (ASBA) Game Changer Award recipient
- U.S. Patent #10,570,638

Item Number	Product Description
TS8	8' Long Team Shelter with gas shock lowering system
TS16	16' Long Team Shelter with gas shock lowering system
TS24	24' Long Team Shelter with gas shock lowering system
